Fondation Enfant Jeunesse

ANNUAL REPORT 2025-2026

OUR MISSION

FEJ is a global organization dedicated to building stronger communities and a brighter future by empowering women and supporting children's growth and education.

OUR VISION

We focus on education, health, and sustainable development rooted in solidarity, equity, and inclusion for children, women and marginalized families.

OUR FOCUS

We focus on education, health, and sustainable development rooted in solidarity, equity, and inclusion for children, women and marginalized families.

OUR MISSION

Ensure the development of children and women in need through education, empowerment and self-sustainability for a better future.

OUR VALUES

- **Human Dignity:** Every child and woman deserves safety, respect, and opportunity.
- **Empowerment:** We equip women in need to become autonomous and uplift their families.
- **Protection & Resilience:** We create safe spaces and remain present through crisis.
- **Accountability in Action:** We turn trust and compassion into measurable, lasting impact.

OUR VISION

A future where no child is left behind and women have the tools to lead change in their lives and communities.

OUR FOCUS

We provide education, essential resources, and sustainable pathways through empowerment, equity, and inclusion for children, women, and marginalized families.

More 2025-2026 Programs

- **Digital Entrepreneurship Literacy:**

AI, technology, and cybersecurity training for youth and women

- **Psychological and mental health support program:**

Ensuring the emotional well-being of both students and teachers while promoting academic success.

- **HIV /Malnutrition Intensive Care Unit:**

Comprehensive program aiming to reduce child mortality by ensuring access to health services for Haitian children affected by HIV and/or severely malnourished.

- **Disaster relief Program:** using a holistic approach by a multidisciplinary team of qualified and experienced medical staff.

FEJ Canada goes beyond education to provide immediate humanitarian aid.

Our Humanitarian Disaster Relief Program delivers critical support to vulnerable communities affected by natural disasters

such as earthquakes and hurricanes. Relief missions include the distribution of food, medicine, and psychological support, helping survivors rebuild their lives and regain stability.
